Volunteers Organisations

- **Climate Tech. Exhibition**
Tekson+Sodex
26.04.2022
– Guests
- **Invited Speaker**
Ostim Technical University
03.01.2022
- **Architecture Magazine**
Archmuse
20.12.2019
– Student organisation member
- **Young Entrepreneurs**
Cankaya University
13.11.2020
– Student community member

Other Projects

- **Hydroblock**
– Climate control system designed
to cool environments by
harnessing and utilizing rainwater.
- **Archiware**
– An architecture optimization
software tailored to the
contextual needs of each site.

Achievements

- **Valedictorian / Top Scholar** 22.06.2022
Cankaya University
– Valedictorian of graduating class, known for consistent
dedication and outstanding academic performance.
- **Bachelors Scholarship** 01.10.2019
Cankaya University
– Awarded with a merit based scholarship on exceptional
GPA and academic performance.
- **Student Project Exhibition** 18.05.2022
TSMĐ
– Selected to represent my university at a city-wide
exhibition, where projects were picked from multiple
institutions.
- **National Innovation Comp.** 15.11.2022
InnovaTIM Innovation
– Awarded 3rd place in a year-long national innovation
competition. Including the developing process and
researches
